Instructions for joining the correct President's Challenge group:

Note: The USPHS Group is NOT "USPHS 13537" – someone else created that.

The correct USPHS group (13537) is not a public group therefore, it cannot be found by searching for Groups on the President's Challenge website. This was done to prevent people, besides USPHS officers, from joining the group.

Officers may belong to more then one group. In order for an officer to receive credit for their President's Challenge award as part of the fitness requirement they must ensure that their PHS Serial number is either their user name or member ID in group #13537.

Directions are as follows:

- 1) Login to the President's Challenge at http://www.presidentschallenge.org
- 2) Click on the "Your Groups" tab
- 3) Click the "Remove" checkbox next to the USPHS Group
- 4) Click the "Update" button
- 5) Next, enter 13537 into the Group ID textbox
- 6) Enter your PHS Serial Number in the Group Member ID/Name textbox
- 7) Click Add

It is not necessary to enter President's Challenge award data on your OFRD Summary Page.

Please note that you will not lose points or awards by changing groups.
